

Worksheet 2: Symbol Use- Calculating Area and Volume

Area:

$$\text{length} \times \text{width} = \text{area}$$

$$\begin{array}{c} \text{_____} \\ \text{Length} \end{array} \times \begin{array}{c} \text{_____} \\ \text{Width} \end{array} = \begin{array}{c} \text{_____} \\ \text{Area} \end{array}$$

Volume:

$$\text{length} \times \text{width} \times \text{height} = \text{volume}$$

$$\begin{array}{c} \text{_____} \\ \text{Length} \end{array} \times \begin{array}{c} \text{_____} \\ \text{Width} \end{array} \times \begin{array}{c} \text{_____} \\ \text{Height} \end{array} = \begin{array}{c} \text{_____} \\ \text{Volume} \end{array}$$
