

Animated slide: Arrows next to, “Distance Around,” move in a clockwise motion, each one inch section of perimeter appears and the measurement, 2 inches, appears after each side has been counted. The $2 + 2 + 2 + 2 = 8$ inches appears one at a time. Adapted switch may be used.

Perimeter – “Distance Around”

$$\text{Perimeter: } 2 + 2 + 2 + 2 = 8 \text{ inches}$$
