

What rhetoric makes the song entertaining?

They talk about Billy Joe jumping  
off bridge at the same time as  
talking about dinner.

It makes you wonder what they  
threw off the bridge.

It has rhyming words,  
"Chocktaw Ridge and Tallahatchie  
Bridge"

Graphic resources: Biscuits

<http://www.babble.com/best-recipes/diy-baking-mixes/>

Bridge – same as earlier

Mountains (This is the tag, but I couldn't find it any more)
